Re: Letter of Gratitude

Dear Sir/Madam,

Our institution, Ayder C.S. Hospital and College of Health Sciences, Mekelle University, is writing this letter to confirm to your foundation the receipt of 20,000 (Twenty Thousand) Euros through the German based, our longtime partner, NGO called Etiopia-Witten. We have received the equivalent amount of money in our local currency, ETB, through the support of a benevolent man in our city. The exchange rate was 1 Euro= 55 ETB. Thus, a total of 1.1 million ETB has been received. The money is deposited in a local bank and it is already being used for its intended purpose which is supporting LISA (Life Saving) Kitchen as of March 31, 2022.

LISA kitchen was established by our academic staff of the Department of Nutrition of the School of Public Health months ago to keep needy women and children under 5 years of age alive by providing them lunch and dinner every day. Initially, the staff supported the initiative with their own money and food items. But, later, our institution and a number of other individuals living in our city and abroad contributed money or food items to the kitchen. LISA kitchen is currently supporting 600 needy mothers and children under 5 by providing lifesaving lunch and dinner (unleavened bread made of wheat flour and sauce/stew made from chickpeas or beans flour - locally called **SHIRO**) every day as well as a sandwich (bread with potatoes, tomatoes and salad) for our institution's staff members who are not able to provide for themselves.

When the money from your foundation arrived, LISA kitchen was left with only 39,000 ETB (709 Euro). Thus, the money you contributed has enabled our institution's LISA kitchen to continue serving the needy. Please have a look at the attached detailed report and photos of the beneficiaries of LISA kitchen.

The volunteer director and staff of LISA kitchen, our institution and more than anyone, the beneficiaries, would like to express their heartfelt gratitude to your foundation for the great financial support that you have made. We hope that your support to the people of Tigray and our institution will continue in the future.

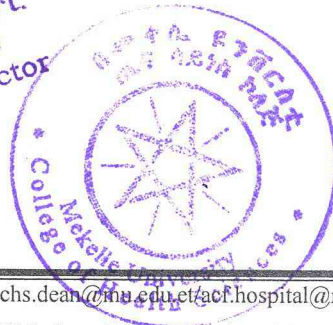

Sincerely,

Cc:

- All Directors
- LISA Kitchen director
- All our staff (for their information)
